Expansion of industries in the Core Sector

1914. SHRI BAIKUNTHA NATH SAHU: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that Government have taken action for the expansion of the industries in the Core Sector;

(b) if so, what is the number of industries set up in the Core Sector including electronics, and

(c) what industries have been set up in Orissa during the Seventh Five Year Plan period and the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) In 1973, a list of core industries of importance to the National Economy, industries having direct linkage with such core industries, and industries with long term export potential which are all of basic critical and stragic importance for the growth of the economy, was consolidated (Appendix-I to the Industrial Policy of 2nd February, 1973), wherein large industrial undertakings and companies covered by the MRTP/FERA Act were allowed to participate alongwith other companies. This list which included 19 items in 1973 has since been extended to cover 33 items. The latest addition/inclusion of the items in the list of Appendix-I industries is as below.—

13 (x)— *"Miscellaneous Chemicals"*:—

(1) Mining Chemicals.

(2) Cement Chemicals such as binders, quick setting chemicals and grouting chemicals.

32 All food processing industries other than milk foods, malted foods and flour, but excluding the items reserved for small scale sector.

33. All items of packaging for food processing industries, excluding the items reserved for small scale sector.

(b) Monitoring of the progress of implementation of industrial licences is done by the State Government concerned and the Ministries/Departments administratively concerned with the industry in question in the Central Government. Information about the units which have gone into production is not centrally maintained in the Ministry of Industry.

(c) Under the provisions of the Industries (Development & Regulation) Act, 40 industrial licences were granted during 1985-86 to 1988-89 (upto January) for setting up of industries in Orissa State. Out of these 14 industrial licences were granted for 'Carry-on-Business'. Since it generally takes about four to five years for an industrial project to fructify, the above industrial licences would be at various stages of implementation.

Details, such as name and address of the undertaking, location item(s) of manufacture and capacity etc in respect of all industrial licences issued are published regularly by the Indian Investment
